Dear Sir or Madam:

I am enclosing, for your review, a copy of comments which I received from several of my constituents.

In summary, they are concerned that the cable companies in our area have raised their prices due to S. 12, the Cable TV Consumer Protection and Competition Act.

I would appreciate your thoughts regarding the attached comments. Please forward your response directly to my constituents.

I would also be grateful if you would send a copy of your response to my Washington, D.C. office.

Thank you for your prompt attention to this matter.

With best wishes, I am

Sincerely yours,

Dear Sir:

Once again our Cable Television Company T C I of west Pasco has socked it to us. (again.) This is the fifth straight year our rates have gone up. There has been no improvement in the Quality of programs. There has been no improvement in the Quality of movies on HBO. There has been nothing. —

Isn't it just like the cable companies to raise their rates before passed legislation goes into effect. Did we expect anything less from them?

I for one am getting fed up with all the cable companies. They are reaching my breaking point where I'll Tell them to go to the devil and get myself an outdoor antenna. It won't be long.

I pity the poor people of east Pasco
stuck with F.S.N cable TV. Imagine going from
\$11.56 To \$26.00 per month.
When does it all stop?
